NURAGIC WALKING TOUR

~~to monitor the site and ensure the safety of the public. The site is located in the area of the Nuraghe di Sant'Antioco, which is a UNESCO World Heritage Site. The site is a complex of three towers, each with a different architectural style. The towers are built from dark volcanic stone and are arranged in a line. The site is surrounded by a low wall and is accessible by a path. The site is a very important archaeological site and is a must-see for anyone visiting Sant'Antioco.~~
